

# ASTRA GRADUATE PROGRAM

(Code : AGP\_ITS)

Astra Graduate Program (AGP) - Management Trainee is tailored to prepare our Future Leaders. Young Talents will be widely exposed to the core management processes in our 6 Business Lines. Trainees will be equipped with learning material, consisting of in-class training from professional development institute, on-the-job assignments, mentorship and coaching from Astra Executives. AGP challenges trainees to perform in Marketing, Finance and HR fields through improvement-based projects.

Being Astra's future leader means to be ready to take ownership, take risks, accept challenges, make the right decisions, and set improvement as day to day.
