Citi Indonesia Management Associate (CIMA)

The Management Associate Program at Citibank Indonesia is a stimulating and progressive career program for young talents looking to take their first step toward becoming future leaders in the banking industry. The Program is 24 months long and offers a combination of classroom and on-the-job training through rotational opportunities across different mentoring and exposure to top leadership. Each rotation enables Management Associates to progress toward a business management role in either their specific area of expertise or general consumer and business banking.

The CIMA program is a cross-franchise program with rotations across Institutional Clients Group, Global Consumer Group and Corporate Functions.

ICG core business includes treasury, cash management, trade and security services, corporate and structured finance, and investment management. We provide comprehensive financial solutions to a wide range of customers that include local corporations, state owned enterprises, commercial businesses, and multinational companies.

GCB core business includes credit cards, consumer lending, savings and deposits, investment products and treasury products. GCB is a pioneer in the Indonesia credit card industry. We continuously provide innovative and value added programs to our customers. We also provide our customers with industry-leading technology, a strong country presence and a powerful global franchise through Citibank.

Who are we looking for?
